## CHANGE MADE IN PLUMBING RULES

Board of Health Gives More Latitude To Inspectors

RAT CAMPAIGN GOES ON AllEAD WELL AT BILO

SATISFACTORY WORK IN EXTER-MINATION OF RODENTS BE-ING PURSUED BY HAWAII HEALTH EMPLOYES

At the meeting of the Board of Health which was held yesterday afternoon, President Pinkham presided and the following were present: F. C. Smith, Dr. Jodd, Dr. Wayson and A. Fernandez. Outside the matters taken up in President Pinkham's report the only matter of importance was an amendment to the plumbing regulations. This was in relation to the following section of the roles of he following section of the rules of

the Board:
"All traps within any building or within five feet of any building shall be venied by special air pipes of lead or iron, but in no case shall a vent pipe end in a chimney or carthenware flue. If lead pipe is used it shall be as a branch to connect with fron pipe and shall not exceed six feet in length. and shall not exceed six feet in length. The vent pipe shall be the same size as the trap it serves up to and in-cluding pipes of two inches in diam-cter, and shall be extended above the roof in same way as soil pipes, except they may converge under the roof into one pipe, the area of which is equal to the combined area of the pipes en-tering it."

This regulation was changed by the addition of the following paragraph: Provided, however, That non-vented syphon traps may, with permission of the Plumbing Inspector thereto first given in that behalf, he used in the following named fixtures: wash basins, saloon bars and soda fountains; all buildings in which such fixtures are to be placed, however, to have a four inch vent."

The new rule was talked over by the Plumbing Inspector and Messrs. Quinn and Bath, two local plumbers.

and then passed manimously by the A large number of reports from the

The officer who went to arrest The Department of Public Works the couple found them both in the same October 23 the use of the Manlaca woman was released on order of the court, and the man regained his lib erty temporarily on a bond for \$50. The cases will be tried tomorrow.

Mrs. M. W. MacHatton of El Paso Texas, and Miss Virginia Bowman ot Los Angeles who has been chaperoned by Mrs. McHatton, left for the States today on the Ventura after having spent a most delightful time here. The ladies were members of the Southern California Editorial party and have been guests at the Hawaijan Hotel since their arrival. Both have made many friends since coming here who will greatly regret that the visitors must leave so soon. Mrs. MacHatton has large property interests in Texas which demand her attention, as she has been absent from her home since April. She is a woman who has travelled much but Bills: I understand that old miser has found no place, she says, where left quite a fortune. Wills: That's be- she has enjoyed herself more than in Honolulu. A number of friends were present at the sailing of the Ventura All homes are necessarily built on to bid Mrs. McHatton and Miss Bowman Aloha.

#### If You Use Gas

you can prepare a meal in shorter time than with wood and the food tastes better. Here is a recipe for an oyster pie that can be cooked to a turn on a gas sto ve:

Oyster Ple:-Line a vegetable dish with mashed potato, Brush over with the white of an egg, and put it in the oven to brown lightly. Take two dozen oysters, half a pint of milk, one tablespoonful of butter, pepper and salt to taste. Let it come to a boil and thicken with a heaping teaspoonful of flour and put into the space left in the vegetable dish,
